

Rezepterstellung mit HACCP-Fließdiagramm

The screenshot displays the 'Rezepterstellung & CCPs' window. On the left, there's a search bar for ingredients and a list of ingredients with their categories. Below that is a table of ingredients for the recipe 'Beilage - Kartoffel "Dauphinemasse"'. The table has columns for 'Menge', 'Einheit', 'Zutat', and 'CCP'. The ingredients listed are Brandteig, Mehl, Butter, Eier, Salz, and Muskatnuß. To the right, the HACCP flowchart for the recipe is shown, detailing various risk categories and their associated hazards and controls. At the bottom, there are options for 'Arbeitsbereich' (Main Kitchen) and 'Portionen' (100% Standard, 66% Klein). Buttons for 'Rezept drucken' and 'Zurück' are also visible.
